

Optima XR

21 and 27 Inch Propane Burnishers

Maintain IEQ & reduce labor with dust control option (XR 27 only)

Emissions well below EPA / CARB requirements

Increase safety with emission monitoring option

Up To 27% More Fuel Efficient

Exclusive fuel delivery system.

The new Optima XR reduces refills by up to 44 tanks per year versus the leading competitor; saving customers up to \$1,100 annually.

Top of class performance.

The Optima XR's increased pad speed and custom riser plates create the brightest, widest burnishing path.

Made in USA.

Ensures high quality assurance with industry leading 3-year warranty and available quick-ship machines and service parts.

Reliable, simple value.

The Optima XR propane burnishers boast durable cast aluminum construction, low oil emergency shut-off and a Kawasaki 603cc V-Twin engine for years of worry-free operation. Simple operation and maintenance plus an excellent price make them high value.

Applications:

- Low and high solid finishes
- Polished concrete
- Polished terrazzo and stone
