

StreetShoe® NXT

WATERBASED WOOD FLOOR FINISH

StreetShoe® NXT is a two-component, clear, commercial grade, self leveling waterbased, urethane wood floor finish.

This product is an excellent choice for professionals that are looking for the premier commercial grade 2-component finish that is 90% cured in 24 hours, and has a 24-hour pot life once catalyzed. It is the toughest, most chemical resistant finish on the market.

StreetShoe® NXT

WATERBASED WOOD FLOOR FINISH

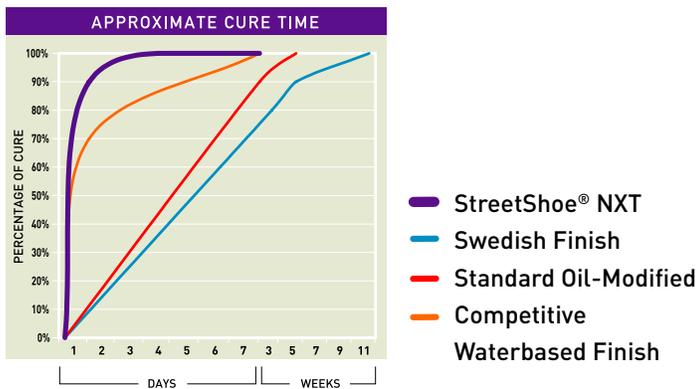

Toughest Finish on the Market

StreetShoe® NXT is perfect for sport projects. It's the toughest finish on the market and its fast dry/cure times allows for faster application of the product. In turn, the floors are able to be put back into action quicker.

König Hardness Scale

StreetShoe NXT wins the race for faster cure times and overall hardness when compared to competitor.

StreetShoe® NXT Advantages

- ◆ Nano-Technology for extreme durability
- ◆ 2-Component, Clear, Non-Ambering
- ◆ 90% Cure in 24 hours
- ◆ 24-hour pot life once catalyzed
- ◆ Can be re-catalyzed
