

Stealth™ Micro-Rider Scrubber

21-inch Auto Scrubber

Sleek, rugged design

Hands-free automatic on/off pad driver system

User friendly controls and gauges

Same Footprint. Up to 50% faster.

Compact design replaces 20-inch walk behinds. Extreme maneuverability with larger tanks and faster speeds lead to 50% higher coverage rates.

Eco-Mode extends the quietest scrubbing.

This efficient power mode lengthens battery run time while operating at an industry-low 54 dBA.

Reliable, easy operation and service.

10/3/3 warranty with simple controls, tool-free daily maintenance and auto on/off pad driver system.

Clean on your schedule.

The Stealth™ Micro Rider Scrubber cleans and dries floors in one pass while not disrupting co-workers and visitors to your facility. These machines allow you to clean when it is most convenient and economical for your team.

Applications:

- Smooth finished floors
- Ceramic tile and concrete floors
- Wood and stone floors
- Hallways and Lobbies
- Medium to large rooms
